**WHAT OUR GLOBAL PARTNERS
WISH WE UNDERSTOOD...**

SURFACING SOME COMMON BLINDSPOTS

With Percy Mubela & Doug Vinez

WHAT SUCCESS LOOKS LIKE TODAY

1. Discover vulnerabilities that Westerners have as we relate to our global partners
2. Identify some of your own personal blind-spots

WHAT OUR GLOBAL PARTNERS WISH WE UNDERSTOOD

1. *Friendship*, rather than friendliness
2. *Impartation*, rather than insulation
3. *Mutual learning*, rather than “the expert is here”

WHAT OUR GLOBAL PARTNERS WISH WE UNDERSTOOD

4. Travel at the *speed of learning*, rather than the speed of teaching.
5. *Transformation & multiplication*, rather than simply courses taught
6. *Listening & asking*, rather than talking & assuming

WHAT SUCCESS LOOKS LIKE TODAY
